AFRICAN ACHIEVEMENT AWARDS

Vision

Our Vision is to create a space where the achievements and professionalism of the African community in the Pacific Northwest are celebrated and honored. By acknowledging the exceptional accomplishments of our community members, we aspire to foster a sense of pride, unity, and inspiration.

Mission

Our Mission is to recognize and celebrate outstanding African individuals, groups, or businesses that have made significant contributions to immigrant communities in the Pacific Northwest and the broader United States. We aim to shine a spotlight on those who have demonstrated exceptional leadership, community service, education, entertainment, fashion, and sports.
